Legislature Plans Hearings on Chesterman Report

U. S. INFANTRY BATTLES OUT OF RED TRAP

Seoul (AP)—Allied tank and infantry raiders, trapped and virtually surrounded by a Chinese ambush, blasted their way back to U. N. lines on the Korean Western Front early today after a bitter, five-hour fight.

The confused, heavy fighting continued until shortly before dawn. The U. S. Eighth Army reported the Allied raiding team killed an estimated 60 Communists and wounded at least 40, more than half of the Red force.

The Eighth Army said the fight, which began southeast of Panmunjom, was the most savage of several skirmishes that cracked along the freezing, 155-mile battlefront.

Night-flying Allied bombers hammered new aerial blows against Communist targets before dawn.

B26 pilots said they destroyed 44 vehicles and two locomotives. The bombers also pounded Communist front-line positions.

Eleven B-29 Superforts from Okinawa pummeled a 100-acre Red target five miles south of Wonsan on the Northeastern Coast, and the Korean rail yard 25 miles northwest of Wonsan.

In the bloody Western Front battle, up to 175 Chinese in quilted uniforms surrounded the Allied raiding party after it had occupied an outpost. The Allied raiders included about 40 foot soldiers and an undisclosed number of tanks.

Withering Communist mortar and machine-gun fire pinned down the infantry and disabled two tanks.

A few hours before dawn the raiders broke through the circle of Chinese and smashed their way back to their own lines, bringing one disabled tank with them. The other was recovered later.

Temple University President Named Acting Chief of the Overseas Information Service

Washington (AP)—Dr. Robert L. Johnson, 58-year-old president of Temple University, today was named acting chief of the government's overseas information service.

The White House announcement said President Eisenhower and Secretary of State Dulles had asked Johnson to study the entire information program—which includes the controversial Voice of America—and eventually to head it on a permanent basis.

Three hours earlier, Johnson said in an interview that he would make a broad study of the entire overseas information service and that he would give Eisenhower a

CRUCIAL DIPLOMATIC OFFENSIVE LOOMS FOR NEW U. S. TEAM IN UNITED NATIONS

KOREAN WAR IS CONSIDERED MAJOR ISSUE

United Nations, N. Y. (AP)—A fresh U. S. team braced itself for a crucial diplomatic offensive against Iron Curtain veterans in the second round of the United Nations General Assembly's seventh session opening today.

Peace or continued war in Korea was still the major issue.

The opening meeting was expected to include only the formalities of getting started.

Facing President Eisenhower's new U. N. team was Soviet Foreign Minister Andrei Y. Vishinsky, who has attended every regular session of the assembly since 1947.

Vishinsky arrived here yesterday aboard the liner Queen Mary. As usual, he gave no hint of his plans.

Observers expected he would touch off some fireworks.

Vishinsky brought with him a battery of four other Iron Curtain foreign ministers—Vaclav David of Czechoslovakia, Stanislaw Skrzyszewski of Poland, Kuzma Kisselev of White Russia and A. M. Baranovsky of the Ukraine. All but David have appeared at the U. N. before.

Just as cryptic about strategy plans was the U. S. delegation headed by Ambassador Henry Cabot Lodge Jr. No American delegate would comment on the substance of the nine-point agenda the Assembly is slated to discuss.

Lodge's new deputy, James J. Wadsworth, who was sworn in yesterday at the U. S. mission.

The only U. N. veteran on Lodge's team is Ambassador Ernest A. Gross, who resigned as did all other members of the old delegation but agreed to stay on during this session of the Assembly.

BOTH HOUSES WILL APPOINT COMMITTEES

Harrisburg (AP)—The House once more put off a vote today on much-amended legislation to revise Pennsylvania's constitution. Rep. Albert W. Johnson, Republican floor leader, said a host of absent representatives among both Republican and Democratic forces forced a final vote on the measure until next week.

The administration measure was amended last night, against Democratic opposition, to permit the voters to decide at the Nov. 3 municipal election whether they want a constitutional convention to meet here next January.

Harrisburg (AP)—The General Assembly moved swiftly today to dig deep at public hearings into the Chesterman Committee recommendations that \$100,000,000 could be cut from the cost of operating the state government.

The senate at an unusual 3 a. m. session authorized appointment of a 15-member committee, with a similar committee to be named by the House, to conduct the hearings.

Gov. John S. Fine personally placed the bulky report of the State Government Survey Committee before the Assembly last night in a 6,000 word message. The governor praised most of the economy proposals, disagreed flatly with some and commended others with reservations.

Fifteen senators attended the brief 15-minute session, which was limited to adoption of the resolution. The Senate adjourned until Monday.

Many of the senators left immediately for Philadelphia to attend the annual meeting of the Pennsylvania Manufacturers Association.

Gov. Fine, in his address, discussed in detail the recommendations of the committee, which spelled out a broad plan for reorganization of state government agencies.

At the same time, Fine directed all state agencies to carry out immediately, "where practical to do so," the recommendations of the economy unit which can be accomplished by administrative order.

The bulky report—It weighs 1 1/2 pounds—covers virtually the entire field of commonwealth activity. Most of its contents were made public in piece-meal fashion in the past 2 1/2 months.

The governor echoed the report's estimate that immediate savings in the next two years could total nearly \$99,500,000. Of that, about \$16,000,000 could be used in cutting down the \$157,000,000 bid for new taxes asked by Fine.

Meanwhile, the House moved for a final vote on double-barreled legislation: (1) To place on the November ballot the question of whether a new Constitution should be drafted to replace the state's present 79-year-old basic law, and (2) to elect a 110-member constitutional convention to meet in Harrisburg next January to go ahead with revising the document.

Sen. Fred P. Hare Jr. (R-Somerset) disclosed a legislative committee to probe safety regulations on the Pennsylvania Turnpike will map out a program to morrow for public hearings.

Fine also opposed the committee's suggestion that the Pennsylvania Week observance be abolished and tourist and vacation advertising by the state be discontinued.

Congressman Calls Motion Picture New Weapon for Russia

Washington (AP)—Rep. Jackson (R-Calif.) declared today that a motion picture is being filmed "under Communist auspices" at Silver City, N. M., and said it will be "a new weapon for Russia."

Jackson, a member of the House Un-American Activities Committee, said in a speech prepared for House delivery that he will do everything in his power to prevent the film, whose title he does not know, from being shown in public theaters.

He said the picture is being made by the Independent Production Corp., and is being financed by the independent United Mine, Mill and Smelter Workers union, which was expelled from the CIO several years ago on the ground it was Communist-dominated.

"I have received reports of the sequences filmed to date . . . and it depicts exactly what might be expected from a group of Communists engaged in making of a motion picture," Jackson said.

Backers of the production have called it "an historic film" and said "no trade union has ever before attempted to make a feature-length story film."

Baseball's Grand Old Man 79 Years Old Today

One of baseball's grand old men, Monus Wagner, is today receiving the congratulations of his friends on the occasion of his 79th birthday.

Generally conceded to be the greatest shortstop the game has ever seen, Wagner got his start in the old Iron and Oil League, playing with Warren. He has been with the Pittsburgh Pirates organization for many years, carried on the club as a coach.

His last visit to Warren was in 1938, when a team of Pirates came to Warren for an exhibition game on Russell Field, and were defeated by the Moose Club team, six to three.

Clean Hopes to Retain PONY League Franchise

Olean, N. Y. (AP)—A Citizens Committee headed by Mayor William N. Davis has been given more time to reorganize the Pony League Baseball Club here and try to keep the franchise.

President Vincent M. McNamara of the Class D. League announced last night that the franchise would remain here "for the time being."

The Olean Club, a New York Yankee affiliate, had serious losses last year. Niagara Falls and Erie, Pa. interests reportedly sought the franchise.

McNamara told the stockholders they must decide whether they could keep the franchise here. He said last night the committee was given permission to continue a drive to raise money to meet league obligations.

Jelke Trial Is Open To Press and Public

New York (AP)—The press and public were admitted to the vice trial of Minot (Mickey) Jelke today as the defense began presentation of its case.

Courtroom attendants opened the doors, obviously acting on the order of General Sessions Judge Francis L. Valente. The Judge had barred press and public while the prosecution was presenting its case because of the lurid nature of testimony.

The prosecution ended its case last Friday.

Soon after newsmen were admitted, spectators poured into the courtroom. Some, including a 64-year-old grandmother, had been waiting nearly three hours in the hope the trial would be opened.

GERD VON RUNDSTEDT IS DEAD IN GERMANY

Hannover, Germany (AP)—Field Marshal Gerd von Rundstedt, 77, died at his home here today.

The brilliant Prussian officer, who was regarded as Germany's best military leader, had been ailing for some time. His housekeeper said he had succumbed to "general weakness."

House Bills Would Restrict Motorists In State Over 65 and Under 18 Years

Harrisburg (AP)—Motorists over 65 or under 18 would be subject to restricted drivers' licenses under two new House bills.

Those over 65 years old would be required to take driving tests every five years if a bill introduced by Rep. Albert S. Readinger (D-Berks) becomes law. The person's age would be stamped on his license.

Readinger joined with Rep. Frank A. Wallace (D-Luzerne) in sponsoring another bill to require minors to be accompanied by their parents or a licensed instructor whenever they operate a motor vehicle. Minors must obtain an un-

restricted license under present law.

Only exception would be youths transporting farm products or equipment.

Readinger, in a third bill, proposed the renewing of drivers' licenses every three years at a fee of \$3 instead of the present annual practice. The present yearly fee is \$1.

Motorists who desire to designate what letters and numbers they want on their auto license plates would be permitted to do so under a bill sponsored by Reps. Wilbur H. Hamilton (R-Philadelphia) and Joseph J. Hersch (D-Philadelphia). An extra fee of \$5 would be charged in addition to the \$10 registration fee.

Annual Easter Egg Hunt This Year May Have New Location

Warren's annual Easter Egg Hunt, sponsored each year by Chief Cornplanter Post of the American Legion, may have a new location this year, although no definite decision was made other than that the Post will again sponsor the event this year. In previous years the hunt has been held at Crescent Park.

Possibility of holding the annual hunt at Beaty Field or even at War Memorial Field came under discussion.

It was decided to have a spaghetti dinner for all members in connection with the next Post meeting, Monday, March 9.

The Post voted to send a Warren boy to the Keystone Boys' Camp at Lock Haven State Teachers' College this year.

DESIGNED TO PROTECT AND SAFEGUARD

BEDFORD JUDGE TAKES SUPERIOR COURT POST

Harrisburg (AP)—Judge J. Colvin Wright of Bedford County stepped up today to the bench of the State Superior Court by appointment of Gov. John S. Fine.

The 52-year-old jurist was named to the high court by the governor last night. The appointment to the \$23,000 a year post was immediately confirmed by the Senate.

A Republican, Judge Wright fills the vacancy created by the election of Judge John C. Arnold, Clearfield, to the State Supreme Court last year.

Captains and Lieutenants Receive Instructions for Red Cross Drive

Captains and Lieutenants from all nine wards who will head up borough solicitation in the Red Cross Headquarters by March 8th; except for some follow up calls that may have to be made.

It was explained that the cards in each ward were carefully compiled from names of those who gave last year, as well as other residents in the ward; with names of new residents being added as they became known. Workers were instructed to make use of blank cards in their kit to list new names of persons living in each ward on whom they may call and for whom a card may not have been made out. In this way the list will be kept up to date for next year's campaign.

The women were specifically instructed that, as they make their calls, they should not encounter the excuse "that my husband gave through his place of business." It was emphatically made clear that no owner of a store, garage, service station or the like will be solicited as an individual at his place of business. They may be asked to make a donation as the head of a firm or in the name of a company but as individuals all solicitations will come from their residence and only in this manner.

Workers will make all reports to their immediate lieutenants and the lieutenants will report to their captains or direct to Red Cross Headquarters. All workers were urged to make daily reports on their calls and to list their subscriptions, cash, checks or pledges on their tally sheets and at the conclusion of all calls to make proper entries on their workers envelopes.

In some few cases, workers were told, they may find a card made out in the name of a resident of a certain address and at the same

Activity Reported Among Owners of Maple Sugar Bushes

"The sap is running well today," said Willard Hitchcock when called by The Times-Mirror today and asked whether it was time to tap the maple trees. Mr. Hitchcock, who lives a half mile north of Lander, started to tap his 400 trees yesterday and the work continues today, with an excellent run. Mr. Hitchcock said the opening of the season is about the same time as usual.

Harry Ludwick, who lives on the Ludwick road a mile north of Lander, and Gideon Van Ord of the Maratstown road, two miles north of Lander, also were tapping trees today, and Roy Lindell of Lander, was planning to start work this afternoon and tomorrow.

Warren county maple syrup and maple sugar rate high in commercial circles, and State College listed this county as one of the state's leaders in maple products during 1952.

Leonard Weston, proprietor of the Crossroads Restaurant in Russell, said he saw many trees being tapped yesterday at what is known as "Sugar Lane," along U. S. Route 62 near Leon, N. Y., while he was en route home from a trip to Buffalo.

FATAL LEAP

Pittsburgh (AP)—Mrs. Carrie West, 53, who leaped from a third story window in the Hill District yesterday to escape fire, died later in Mercy Hospital of shock and severe burns.

Gen. Mark Clark Denounces Red Charge of Germ Warfare

Tokyo (AP)—Gen. Mark Clark today blasted Communist propagandists for their "fantastic and utterly false charges" about U. N. germ warfare and angrily accused the Reds of extorting "confessions" from captured Americans.

The U. N. Far East commander said in a statement the Reds apparently have revived germ warfare charges to hide their failure to cope with expected new epidemics in war-ravaged North Korea.

The blistering denunciation was inspired by renewed germ charges by Red China's official Peiping radio. Sunday the radio sparked its news propaganda drive with an alleged 6,000 word confession by a captured Marine pilot. The flier, Col. Frank H. Schwable of Arlington, Va., was quoted as saying the U. S. Joint Chiefs of Staff had ordered a "contamination belt" strewn across Red Korea.

Allied officials usually ignore such broadcasts.

Regarding the alleged American "confessions," Clark declared, "whether the statements ever passed the lips of these unfortunate men is doubtful."

Titusville Has First Fatality in Three Years

Titusville (AP)—After more than three and one-third fatality-free years, Titusville, a Western Pennsylvania community of 9,000 population, reported a traffic death last night.

The victim was Mrs. Mary Kightlinger, 81, who was struck by a car last Monday while crossing the street in front of the Post Office. She suffered an ankle fracture and apparently was recovering when a blood clot ended her life today.

Titusville has been awarded two safety plaques for accident-free years and has been nominated for a third plaque for the year ending Oct. 1, 1952.

Highway Crews Are Graveling Roads; Placing Guard Rails

Graveling of earth roads and replacement of guard rails has the Pennsylvania State Highway crews busy in Warren county at the present time. And another much-needed improvement which is under way is placement of a new crooked deck on the bridge at Kinzua. Planks 2x6 in size are being used, placed on edge.

Replacement of guard rails along Route 59 from Kinzua to Big Bend already having been completed, the men are now at work replacing the posts between Big Bend and the River road, just east of Warren. The same work is being done along the Conewago avenue extension road from the borough line to where the Big Four turns off near the State Hospital Dairy Farm, and is almost completed. Another extensive job of guard rail replacement is being done along Traffic Route 426 from Spring Creek to Corry.

Graveling jobs which have been completed are on the Brown Run road, the Fox Hill road for seven miles out of Russell, and the road from the concrete highway in Pleasant township past Camp Birdsall-Edey to Route 62. Graveling work to be started soon will be on the Yankee Bush road from Abel's Acre on the Jackson Run road to Dunham's Corners, the Cobham Hill road in Limestone township, and the Dutch Hill road.

Pittsfield Soldier Awarded Star For Meritorious Service

David Morelli, Pittsfield RD 2, has been awarded the Bronze Star Medal for "meritorious service in Korea," according to announcement received from Col. E. M. Sutherland, chief of the Pennsylvania Military District.

A master sergeant in the U. S. Army, Morelli served in Korea with the 24th Infantry Regiment from February to August, 1952, as an intelligence sergeant. According to his citation, Sgt. Morelli "extended himself to the limit of his physical endurance while rendering the highest possible assistance to the intelligence section. His work was so thorough he was able to translate bits of enemy information into formidable targets for friendly artillery and infantry."

"In order to further acquaint himself with processes of intelligence, he voluntarily exposed himself to the enemy as he went on an intelligence and reconnaissance patrol. Sgt. Morelli's determination, undiminished devotion to duty and integrity won him the respect of all his associates and reflect great credit on himself and the United States Army."

The son of Mr. and Mrs. A. Morelli, he is employed as a merchant seaman for the Standard Oil Company and, during World War II, (Turn to Page Ten)

Student Nurse Second Victim of Auto Crash

Franklin (AP)—Miss Dorothy DeBord, 24, died in Franklin Hospital yesterday, the second victim of an auto crash. Miss DeBord was a student nurse in Meadville.

Her sister, Ruth, 19, driver of the car, died Sunday when their auto hurtled from Route 382, about 10 miles west of Franklin, and struck a tree. Ruth's fiancé, Eugene Harwell, 21, Louisville, Ky., was critically injured. Also critically hurt was Miss Ruby Lee Howell, 23, High Gate, Jamaica, B. W. I. Three other students suffered lesser injuries.

Glade Department Will Meet Thursday; Listing of Homes And Fire-fighters Completed

All residential locations in Glade township are being listed for the benefit of the new Glade Township Volunteer Fire Department in case of fire calls, and it is hoped this list can be perfected at the regular monthly meeting at 8 p. m. Thursday in Irvinedale school. One of the most important items on the agenda will be further discussion of building plans. The new truck is now housed at the Warren Municipal garage in Crescent street until such time as a fire house is built.

The department by-laws, completely drawn up, will be distributed at Thursday's meeting. The new chief, Charles Knapp, will ask the men to help him complete his telephone list, for use in summoning

the fire-fighters, and a motion picture, "A Way With Fires," will be shown through the courtesy of the Bell Telephone Company.

JOAN RUECK,
Director

The cast for "On Stage America," the home talent minstrel show sponsored by the North Warren Fire Department, has been working daily, under the direction of Miss Joan Rueck, of St. Louis, Mo., above.

The men of the minstrel circle are, as endmen, Amos and Andy, Paul Duliba and George Cunningham, Jr. Others include Miz Blue, Ted Rogers; Madam Queen, Jim Stanton; Kingfish, Ray Utley; Brother Crawford, Pete Sanden; Aunt Jemima, Gene Wenzel; Ball and Chain, Don Dalrymple; Rochester, Ralph Ward; and Sapphire, Mike Solock. The part of Interlocutor will be taken by Don Sharp. Twelve high school girls will appear in the two chorus lines as the Dixie Dandies and Hotsie Totsies, and will do fast stepping dance routines to Dark Town Strutters Ball and Alexander's Ragtime Band.

Music in the show offers everything from old time folk tunes, through cake walks, jazz and strut numbers, to popular ballads of today and yesterday. The accompanist for the show will be Connie Dey. Before the show entertainment will be provided by Deacon Dave and his Society Seven.

The amateur contest being held in conjunction with the show is still in need of some acts. Auditions will be held again this evening at the North Warren Community House at 7:30 p. m. so if you know anyone that is talented in any way, see that he is there this evening, and able to compete for the prizes on the nights of the show, Friday and Saturday, February 27 and 28. Among the acts now in the show are a kitchen band from Sheffield, an accordionist, a dancer, and a singer impersonating Johnny Ray. The votes will be carried from night to night, and the final winner will be announced on Saturday. Tickets may be purchased from the members of the cast, the amateurs and the firemen.

Warren Second in Nation in Registrations for Jamboree

Warren County Council, Boy Scouts of America, ranks second in the nation in response to the call for a troop to represent the council at the third annual National Jamboree in California this summer, according to word received today by James Blomquist of North Warren, chairman of the jamboree committee.

From District Headquarters in Philadelphia came word that Valley Forge, Pa., is first, Warren is second, with Newport News, Va., third, and Athens, Ga., fourth. The standings are based on the percentage of Council Scouts as against the number signed up to attend the Jamboree.

It is interesting to know that Warren as of today, may actually hold first place in the nation because of the several additions to the list since the earlier figures were sent to Philadelphia.

Air Force Member From Titusville Is Car Crash Victim

Titusville — A 23-year-old United States Air Force serviceman from Titusville, on route to Townsville to visit his brothers, was killed Monday afternoon when his car overturned on Route 406 midway between Hydetown and Townsville, according to the state police of Crawford county.

Staff Sergeant Joseph Francis Strawbridge, whose home address was 626 Walnut Street, Titusville, died at 5 p. m., two hours after being admitted to the Titusville Hospital.

Dr. C. M. Sonne of Titusville, deputy coroner of the county, stated the youth died of a fractured neck and issued a certificate of accidental death.

The youth, according to police, was approaching a slight curve on the highway when he lost control of his new automobile. The machine rolled over on its top, struck a utility pole and the serviceman's body was thrown clear and near the center of the roadway.

Sgt. Strawbridge, a flight engineer at Pittsburgh's new airport, had enjoyed a weekend pass at home and was due at his base at 7:30 p. m. Monday. He was en route to visit his brother before returning to his base when the accident occurred.

An Air Force serviceman for three years, he recently reenlisted for another three-year period.

Large Number of Emergencies Treated

Falls accounted for several injuries to persons yesterday who were treated at Warren General Hospital emergency ward.

The condition of Frank Russo, 12 S. Morrison street, who fell about 30 feet while working on the Jefferson street school project, is listed as fair this morning, although he is suffering from severe back pains. Mr. Russo was admitted at the hospital yesterday morning.

Mrs. Laura Thomas, Warren RD 3, fell at her home while carrying a tub of water and suffered a fracture of the ankle. She was discharged after a walking cast was applied.

Mary Toth, 14, of Tiona, fell while swinging on a rope and fractured her right wrist. She, also, was discharged after a cast was applied.

Geneva Bloomgren Akeley, was treated for lacerations of the right knee suffered in a fall. She was discharged after treatment.

James McMillip, Youngsville, sustained severe lacerations of the index finger of his right hand while using a power saw. He was admitted for repairs to the finger and discharged yesterday.

Arthur Check, Warren RD 1, employed at Struthers-Wells, was treated for burns of the right leg.

GAMMA GLOBULIN
Gamma globulin, a derivative of blood, and a new and powerful weapon against poliomyelitis, will cost the Red Cross this year about \$7,000,000 above its other budgetary requirements to expand its defense blood collections to provide the maximum amount of globulin necessary.
The Office of Defense Mobilization has requested the Red Cross, with its extensive experience and nationwide blood collecting facilities to enter this project to spare children a lifetime of handicap.
It takes a little more than one pint of whole blood to produce an average dose of gamma globulin. This globulin contains antibodies that attack the polio virus, and one dose may protect an individual against the paralysis from polio for the period of the second through the fifth week following injection.
Since the need for globulin will far exceed the supply, the government has named the Red Cross as an allocating and distributing agency to provide equitable distribution. And the Red Cross must continue collecting blood at the rate of five million pints a year.
How successful this effort will be depends upon the generosity of the donors to the Red Cross—in money as well as blood, since both are needed so Red Cross services will be ready where and when they are needed.

AIR RAID WARNING FOR MOTORISTS
Pennsylvania's 3,500,000 automobile owners are receiving a card bearing air raid warning instructions with their 1953 license plates.
The card carries a message from Gov. John S. Fine urging motorists to memorize the instructions with the warning: "They are designed for your survival."
"All Pennsylvania motorists will be required to put them in actual use in a statewide air raid precaution test to be held during the month of April," explains Dr. Richard S. Gerstell.
The instructions read:
"Pull to the side of the road and stop; leave lanes open for emergency vehicles and keep all intersections clear; shut off motor and lights; get out and take cover, if handy; otherwise, crouch or lie down in vehicle; resume travel on 'all clear,' unless otherwise directed."
And a final reminder at the bottom says: "Keep this card in your car!"

The enthusiastic manner in which citizens are volunteering to participate in the forthcoming Red Cross campaign leaves no doubt but that their efforts, along with whole-hearted support of citizens generally, will be crowned with success.

Spiritual Diary for Lent
The earth is the Lord's, and the fullness thereof; the world and they that dwell therein.—Psalm 24:1.

Today's Message
In periods of pessimism and an atmosphere of moral depression a multitude of people—some of them good, some of them bad—as good and as bad as I—become very doubtful about this being God's world. Many declare in effect: "If this world is God's world, the job can stand improvement."
However this may be, with the late Maltbie Babcock, poet-preacher, I confess my faith: "This is my Father's world." The sweet singer of ancient Israel adds his authoritative experience when his voice and harp declare: "The earth is the Lord's and the fullness thereof; the world and they that dwell therein."
This is not to indulge oneself in any shallow optimism. Most certainly there are in this world evidences of evil that test one's faith in a personal Providence. Many know—how well some of us know!—the moments when the skies are black and the heavens brass. Maltbie Babcock knew this as well as anyone, for he was a chronic sufferer from physical disease. Yet, he could create this fitting, soul-lifting hymn: "This is my Father's world."
—STANLEY MARPLE
Today's Prayer
Heavenly Father, give us that complete trust in Thee which neither sorrow nor disaster can shake. May we rejoice in the knowledge that this is Thy world, and may we pray that Thy will, not ours, be done. Amen.

H. Willard Gilpin, better known as Brother Willard, of St. Barnabas Brotherhood, and in charge of St. Barnabas Home, North East, who has been a frequent visitor to Trinity Memorial Episcopal church in this city, has been given the sixth annual Max C. Currick Brotherhood Award at Erie, his many friends and admirers in Warren and throughout the area will be interested to learn. The award is given annually to the person in the Erie community who has done the most for his fellow man. Referring to the honor the Dispatch-Herald says: "There was no question of Brother Willard. He has devoted 26 years of his life in the St. Barnabas Brotherhood, the last 25 as head of St. Barnabas Home, to the care of the destitute and the incurable. The Home admits any man or boy regardless of race, creed or color and none can pay. The Home is maintained on free will offerings. Many years, Brother Willard must have wondered where funds were coming from to maintain his charges. But he never faltered. And the recognition given him last week is only one tiny mite in what he deserves."

Here's an interesting item from The Evening Times of February 24, 1953, which evidently refers to the structure located at 108 Market street, known through the years as "The Alpha".

The new Keller apartment house in Market street is nearing completion and is pronounced by all who have inspected its many conveniences to be nearly perfect in its appointments. As it is the first building in the city to be devoted exclusively to this purpose Mr. Keller has christened it the "Alpha". The structure is a handsome three-story brick of attractive construction and architectural beauty and will fill the want that is said to have been "long felt".

Share-the-Cost Flood Control Is Sure of Fight in Congress

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—A sensational recommendation that the states and local communities receiving primary benefits from federal flood control projects be assessed for a fair share of the assistance they get from such public works is contained in the final report of the Missouri River Basin Survey Commission, just released.

If this reform could be adopted as national policy it would go a long way towards ending the worst abuses of pork-barrel legislation in which all federal taxpayers are assessed for benefits to local areas. Flood-control appropriations now run half a billion dollars a year. This revised policy would be in line with other Eisenhower administration ideas to get the federal government out of the business of doing for various specialized groups of people what they should do for themselves. But such a reform is sure to meet with tough opposition in Congress.

Many congressmen are elected to office on the basis of their ability or their promises to get federal appropriations for their districts and states. The National Rivers and Harbors Congress, which has among its leaders many senators and representatives from the most frequently flooded areas, is a highly organized lobby.

The idea that federal expenditures for flood control and navigation are "nonreimbursable" has now been pretty well established as national policy.

THE old pattern was that the federal government bore all the construction costs, but local governments provided the land and the rights of way. In 1936, however, ex-Vice President Alben Barkley, then a senator from Kentucky, got through a bill for some minor flood-control work in his state, with the provision that the federal government pay 100 per cent of the costs, including site costs. That was the break in the dike.

From 1938 on, the federal government has borne 100 per cent of the flood-control cost allocation on major dams and reservoirs. From 1941 on, state and local governments have been required to provide only site and maintenance costs on purely local protective works.

It is not now the recommendation of the Missouri Basin Commission that the full cost of major dams and reservoirs be made reimbursable by local groups benefiting from such public works. Only that share which is properly attributable to flood control would be assessed against the beneficiaries.

This is now the way in which public power, irrigation and local water supply system costs are handled on multi-purpose dams.

PUTTING flood control and navigation costs on a similar reimbursable basis is now the aim of the Missouri Basin Commission. How much influence this part of the Missouri Basin Commission's recommendation will have is problematical. The 11-man Commission was appointed by President Truman in 1952. Its chairman was James L. Lawrence, Lincoln, Neb., editor. Having now filed its report, it has gone out of business.

Democratic Sen. Thomas C. Hennings, Jr., of Missouri, who was vice chairman, is calling the five congressional members of the Commission together to draw up legislation to carry out its recommendations. The other congressional members are Senators James E. Murray (D., Mont.) and Milton R. Young (R., N. D.); Representatives Wayne Aspinwall (D., Colo.) and Clifford R. Hope (R., Kan.).

While the Commission did file unanimous reports on all but two of its 51 recommendations, it split on the all-important question of how a Missouri Basin Authority should be organized.

A majority of eight said this should be a federal authority. Three said it should be an interstate compact with the federal government as a member.

Warren Is Corps Cadet Banner Winner

The Warren Corps of the Salvation Army, host Saturday for the upper section, Northwestern Pennsylvania Division, Corps Cadet rally, had the honor of receiving a banner of excellence in the program. The pennant was presented by the rally's special guest, Senior Major Paul Kaiser, territorial young people's secretary from New York City.

Warren is also winner of a plaque, for the second consecutive year, denoting perfection in all phases of the Corps Cadet program for young people of the Salvation Army, and the only plaque merited in the 37 corps of the division.

In the above picture, left to right, are Senior Captain Walter Hooper, Pittsburgh, who is divisional young people's secretary and chairman of the local rally; Shirley Joslin, Erie; Donna Osborne, Warren; Senior Major Kaiser, and Senior Major Charles Schaffer, head of the local Corps.

Major Kaiser addressed delegates from 15 surrounding towns, proving himself a pleasing speaker and making an earnest appeal to the young people in remarks geared to living in the world of today.

Major and Mrs. Schaffer, with

their assistants, Mrs. Ethel Reist, Mrs. Gertrude Brown, Mrs. Dorothy Stitzinger, Bonnie Matha, Donna Osborne and Charles Schaffer, served dinner to the delegates after the rally.

Forest Fire Danger Increases In Area

Wooded areas of Warren county are drying out much faster this year than ever before, and at the Pennsylvania Department of Forests and Waters this morning one of the officials said the fire danger is increasing and that "it's later than you think."

He said that southern exposures will burn under today's conditions while northern exposures are still wet. The threat of fire is somewhat minimized by the probability of rain or snow tonight and tomorrow.

The Buffalo firemen answered 20 grass fire calls yesterday and a Boy Scout camp was destroyed during a wind-blown fire which swept over Grand Island. Today's Meadville paper carries a large front page picture of the season's first grass fire, which burned over three acres off Baldwin street extension.

Suicide at Titusville Has Tidioute Relative

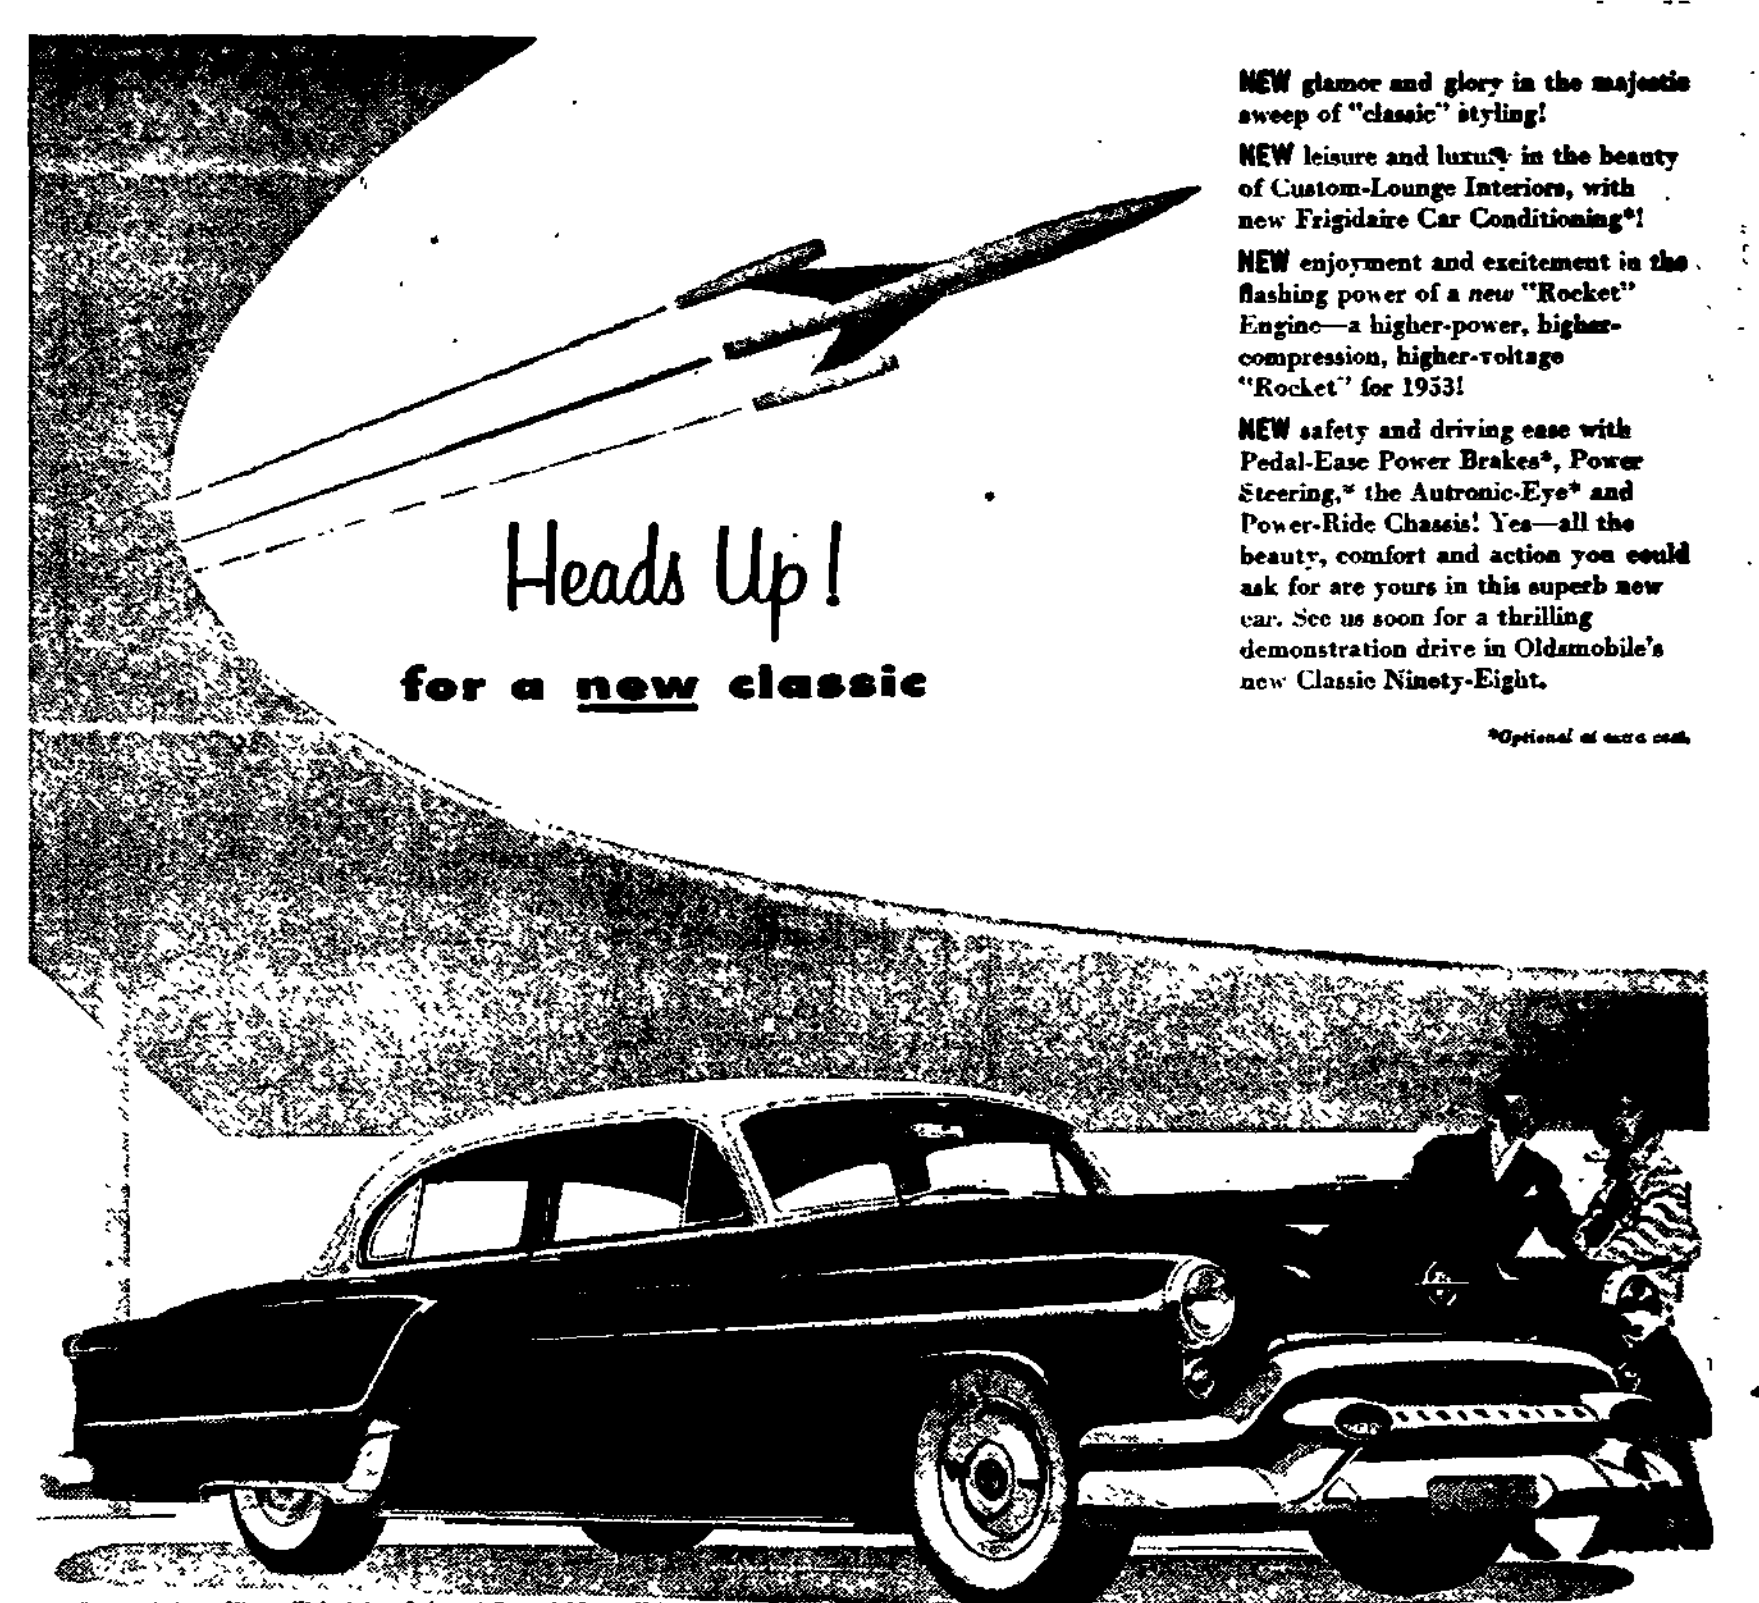

Titusville—Harry C. Lang, 76, watch repairman, was found dead in his second floor rear apartment on North Franklin Street shortly before 2 p. m. yesterday, a bullet hole in his temple and a .38 calibre revolver in his hand.

Dr. C. M. Sonne, Crawford county deputy coroner, investigated and issues a verdict of suicide. He placed the time of death at about 7 a. m.

The body was discovered at the apartment in the Koontz block, 315 N. Franklin St., just north of the Stone Grocery, by a niece, Mrs. Elsie Hewitt of 109½ S. Franklin St.

No suicide notes were found, but Mrs. Hewitt told officials that her uncle was worried about illness and death. He had been under a doctor's care for some time.

A watch and jewelry repairman by trade, Mr. Lang had been employed by Struthers Wells Corp. and had operated a service station

LOCKED OUT
A resident of Redwood street called for police aid when he found himself locked out of his home about 6:45 p. m. yesterday. Officers succeeded in opening the cellar door to gain entrance to the home.

Men in Service

IS DISCHARGED
Cpl. Herbert A. Schueltz, son of Mr. and Mrs. A. R. Schueltz of 510 Conewango avenue, has been released from his duties with the U. S. Army at Fort McClellan, where he has been stationed for over a year. Following his induction on February 15, 1951, Cpl. Schueltz was first stationed at the Army Chemical Center in Maryland.

EN ROUTE TO FAR EAST

It has been made known that two Warren men, Pvt. Walter A. Swanson and Pfc. James Reulley, departed from New York on or about February 15 for the Far East via the Panama Canal. Pvt. Swanson was stationed at Fort Belvoir, Md., with Headquarters Battalion working for Post Signal prior to receiving overseas orders and Reulley was at Fort Meyer, Va., with the Third Infantry Regiment.

HOME FROM ARMY

Pfc. Willis Phillips, son of Mr. and Mrs. Fred Phillips, Frewsburg, N. Y., and husband of the former Margery Ramsdell of Russell, was discharged from the Army at Indiantown Gap February 20 and arrived home Saturday. In action on March 1, 1951, he had his basic training at Camp Pickett, Va., and went overseas October 1, 1951. He has been stationed at Munich, Germany.

ARMY DAYS OVER

Pfc. Richard Day, son of Mrs. Margaret Day, of Lander, arrived home Saturday after having received his honorable discharge from the Army at Indiantown Gap earlier the same day. Following his induction on April 1, 1951, he received his basic training at the 7ap and went overseas in August of that year. He has been at Vernon, France, most of the time, serving with an Ordnance Division.

D. OF F. S. V. TO MEET

The regular meeting of Post No. 119, Dads of Foreign Service Veterans, will be held Wednesday evening at eight o'clock in the V. F. W. Post rooms. Important business and committee reports are to be presented at this session and the officers will appreciate the usual good turnout. Lunch will be served after the meeting by "Dad" Norman Kuhre.

BUILDING PERMITS

New construction is temporarily at a standstill locally, it was reported at the Municipal Building this morning. There have been no permits issued for new construction since February 1, and only a very few for alterations and repairs to existing construction. With the advent of spring, however, the seasonal spurt in building is expected to take place.

MANY QUARANTINES

The Board of Health reports that chicken pox is running wild locally at the present time. With 35 cases already on record, eight more have been reported within the last couple of days. Currently, there are six cases of mumps under observation, and one case of whooping cough. Measles have not made their seasonal appearance as yet, it was reported.

Twelve Juniors Are Cast in Roles For "Campus Quarantine" on March 5th

Warren High School juniors who have been chosen for the cast of "Campus Quarantine," are hard at work in rehearsals under the direction of Kathryn Martin, with Diane Eggleston and Chase Putnam as student coaches.

The three-act comedy will be presented to the public in the high school auditorium on Thursday evening, March 5, beginning at eight o'clock.

With the setting in a co-educational college, the cast includes a number of college students. Among these are Gordon Dunn who wants to manage things, a part to be played by Robert Fitzgerald, and his pal Ronnie Steele, enacted by Harry Walker.

Helping them both in their pranks and in their studies are Elliot Maxim, a theatrical fan, played by Keith Otterbein, and

his roommate, Finley Carruthers, who is really David Gibb. Gordon Dunn and Ronald Steele are working their way through college by helping in the kitchen of the Kanna Jamma sorority house.

In the sorority house is Deborah Mercer, portrayed by Patricia Harrington, who looks with longing at the charms of Edythe Rhoades, played by Susan Pearson. As situations that arise go from bad to worse, Beryl Shepherd, enacted by Connie Barto, comes down with the chicken pox, and the whole Kanna Jamma house is quarantined.

The house mother, Mrs. Smith, a part taken by Nancy Zock, calls in Dr. Atwell. Tim Nelson is cast as the doctor. Acting on her ideas of what is proper, Mrs. Smith has long before strictly forbidden any of the girls in the house, including her niece, Gloria Smith, played by Janis Carlson, to speak to any of the boys working in the kitchen, who are now confined to the house by the quarantine.

Lela Dunn, the nurse, portrayed by Margaret Eaton, and a rival from another school, Howard Ross, played by Chase Putnam, do not help matters any.

Those who attend the play, March 5 will learn, as the twelve characters involved in the cast discover, that when a college sorority house is quarantined, strange things happen.

Mrs. J. S. Bayer will head the social committee for the tea to follow, with Mrs. R. L. Hertz, Miss Maude Lehman, Mrs. M. V. Ball, Mrs. Nels Anderson, Miss Anna Grandin, Mrs. Irving R. Peters, Mrs. H. B. Pettit, Miss Ethel McCray and Mrs. Robert Trusler.

WCSB MEETING

Sugar Grove—The WCSB of the Methodist church held its regular meeting at the parsonage, with 18 members and four guests in attendance. Mrs. Clifford Storms presided at the meeting with Mrs. Harry Sarvis conducting devotions. The theme for the program was Mission and Christian Literature, with Mrs. Neil Scott, Mrs. Walter Sweeney and Mrs. Howard Curtis taking part. Mrs. Neil Scott announced the Day of Prayer service. The committee reported cook books will soon be ready for sale.

A letter was read from Mrs. Lowe, district officer, telling plans for the workshop meeting to be held in the local church March 24th at ten o'clock, with a tureen lunch at noon. Akeley, Russell, Lander, Lottsville and Sugar Grove will unite in the meeting.

Mrs. Taylor showed pictures and many articles from Japan and Korea, where her son is a missionary, and read interesting letters from him and others. Mrs. Roy Briggs and Mrs. Laurence Briggs were assisting hostesses.

Letdowns Often Follow Fine First Impressions

SOME women depend too much on making a charming "first impression." It is fine to make others like you immediately if you can. But it is far more important to hold friendships than to make good first impressions on everyone.

Mrs. Brown is one of those women who goes over big on short acquaintance. She is very charming to those people she has just met and many who meet her for the first time think: "There is a woman I would like to know better."

But something happens to Mrs. Brown's charm when an acquaintance becomes a friend.

She doesn't feel she has to put herself out for a friend the way she would for an acquaintance. In a friendship she expects to take, but doesn't bother to give.

PETTY JEALOUSIES WEAKEN FRIENDSHIPS

AND there is something else that throws a damper on her friendships. She really hates to see a friend enjoy any success or triumph.

So she is forever taking her friends down a notch. Because she speaks in a soft voice and hides her sarcasm in the form of an innocent-sounding question, friends are often slow to realize that her tactless remarks are actually deliberate.

But when they do she has lost another friend. So Mrs. Brown is forever making a good impression on those who only know her slightly and, at the same time, losing friends who have become well enough acquainted with her to realize that her charm is entirely superficial.

There are quite a few Mrs. Browns in the world. The only way to get along with them is to restrain yourself and not become too close to them.

For while they are always charming to strangers they haven't the gift of friendship. They lack the one necessary quality called true kindness. And without kindness, charm never goes very deep or lasts very long.

CLEMENS CLASS

Clemens Class members of Grace Methodist church will hold their regular meeting in the League Room at 8:00 p. m. Thursday and all are urged to be on hand promptly to hear the guest speaker, Eugene Cease, member of the Warren State Hospital staff. The business session and refreshments will follow the program.

Music Students In Sugar Grove Give Pleasing Program

Sugar Grove—The Senior High School music department presented a very pleasing concert at the school auditorium, with Mrs. Charles Titchner as director, Nancy Bowers and Doris Lindell as accompanists for the following numbers:

Choral selections—Great Day, Youmans; The House I Live In, Robinson; In An Old Dutch Garden, Groos; Wagon Wheels, DeRose; The Little Worm, Sachs; Thanks Be to God, Dickson; Recessional, DeKoven, with Thomas Baker as soloist.

Trumpet Trio—Linger A While, Rose; Should I, Brown; Forever and Ever, Winkler—Marion Van Ord, Dorothy Carlson and James Nobbs.

Boys' Quartet—Ridin' Down the Canyon, Schwartz; Mood Indigo, Trevor; Pretty Baby, Van Alstyne; There'll Be Some Changes Made, Overstreet—Thomas Baker, Doyle Carlson, James Rapp, James Nobbs.

Clarinet Trio—Look for the Silver Lining, Kern; Kashmiri Love Song, Finden—Virginia Skinner, Nancy Bowers, Isabelle Carlson.

Boys' Chorus—I'm Forever Blowing Bubbles, Kenbrovin; Moonlight Bay, Wenrick.

Girls' Trio—Mighty Lak a Rose, Nevin; My Cathedral, Blaufuss. The program closed with Malotte's arrangement of The Lord's Prayer, sung by the choir.

Mrs. Titchner spoke briefly in appreciation of the cooperation given by both students and parents.

Announcement of Coming Events at The Woman's Club

Approximately 60 members of the Woman's Club enjoyed the luncheon-meeting held Monday with the Drama Department in charge. Mrs. Robert Israel presided at the business meeting which followed, serving in the absence of the chairman, Miss Mary Craft.

Announcement was made by Mrs. Warren Stone of the program to be presented March 3 by the Art Department, when Mrs. Helen Blum, Pittsburgh, will be guest speaker. Her topic is announced as "The Garden of Eden."

Mrs. W. C. Fuellhart stated an organizational meeting will be held Thursday night at Red Cross headquarters for the first aid course to be given in the near future, and anyone interested is urged to attend.

Mrs. Israel announced the nominating committee for selections of officers of the Drama Department. Mrs. R. W. Steber will act as chairman, with Mrs. G. W. Walker and Mrs. Warren Miller assisting.

Mrs. A. W. Rappole, Jamestown, was introduced as guest speaker, presenting an excellent paper on "Behind the Scenes", in which she discussed at length the great amount of preparations needed in order to present a smoothly-running play for the entertainment of the play-goers.

DISCUSSION GROUP

Lacy PTA Study Group will have a discussion-meeting at 7:45 this evening at the home of the president, Mrs. John Trauffer, 904 Pennsylvania avenue, east. Miss Jane Masters, kindergarten teacher, will be present to speak briefly and Mrs. Frank Smith, study chairman, will lead the discussion. This meeting is for kindergarten mothers, most of whom have received a personal invitation by telephone, but any others having kindergarten pupils at Lacy and not contacted will be welcome.

ZONTA CLUB DINNER

Zonta Club members are reminded of their birthday dinner-meeting to be held at 6:30 p. m. Thursday at the YWCA activities building, when Lillian Offerle will speak on "Flower Arrangement" and the committee will be Grace Aberg and Lucille McLaughlin.

PHC SUPPER-MEETING

Following a tureen supper at 6:00 p. m. Thursday, Protected Home Circle members will have a seven o'clock business meeting and installation of officers. A social time will conclude the evening.

LOCAL MUSICIAN ATTENDS CONVENTION

Dr. LeRoy B. Campbell, head of Warren Conservatory of Music, has returned from Cincinnati, O., where he was honored with a special luncheon and other recognition at the convention of the Music Teachers National Association.

Held in the Netherlands Plaza Hotel, delegates enjoyed a three-day program of lectures and recitals in addition to business affairs. Mayor Carl W. Rich, officially welcoming the convention, paid special tribute to Dr. Campbell, member of the Association for the past 50 years. Both were pictured, along with other convention scenes, in the Cincinnati Post.

Mr. Campbell has had an invitation to be a judge in Detroit soon for the National Guild of Piano Teachers.

Gathered From The Party Line

Mrs. O. A. Sisson, West street, returned home Sunday after spending most of last week in Olean, N. Y., where her grandsons, James and Harry Alford, had been patients in the Mountain Clinic Hospital.

Mr. and Mrs. Harry Drivas, Pennsylvania avenue, west, spent the weekend in Detroit, Mich., where they visited the latter's brother, Richard Coon, whom they had not seen in 30 years. They were accompanied by Mr. Coon's mother, Mrs. Millicent Coon, Warren, and a brother, Lawrence Coon, Washington, D. C. Unable to join them in the happy reunion occasion were four other sisters, Mrs. Clara Barrero and Mrs. John Colston, New York City, Mrs. Edward Morrison and Mrs. Christy Krespan, Warren.

Dr. and Mrs. F. G. Haines, Pennsylvania avenue, west, returned Sunday from a trip to Boston, Mass.

PUBLIC INVITED TO WOMEN SERVICE

A cordial invitation to the public is extended by Warren Chapter 693, Women of the Moose, for its open meeting at 8:00 p. m. Wednesday in the lodge rooms. The ritual service will be conducted by Senior Regent Maude Eckland.

This open meeting is being held to welcome friends outside the fraternity, so they might view the type of work being done to bring Mooseheart standards into the home and community.

The chapter is pleased to have secured Marty Sabie, girl's physical instructor in Warren High School, as judge of a posture contest. Out of town chapters have been invited and a large turnout is anticipated.

Lunch will be served with a small fee charged, and there will be a beautiful prize awarded during the evening.

MCKINNEY-PHILLIPS MARRIAGE ANNOUNCED

Mrs. Genevieve Phillips wishes to announce the marriage of her daughter, Mary Louise, to John M. McKinney, son of Mr. and Mrs. R. V. McKinney, the ceremony having been performed by the Rev. C. W. Baldwin at 7:00 p. m. February 14 in the Winger room of Grace Methodist church, in the presence of the immediate families. Attending the couple were Josephine Zaffino and Karl Olson, both of Warren.

Day of Prayer For Rural Churches

Sugar Grove—The union Day of Prayer service for Lander and Sugar Grove churches, and the community, was held at the local church Friday evening, with Mrs. Paul Carlberg, Sr., presiding.

Rev. Gustav Erickson, Lander, spoke of the World Day of Prayer observance as it was written by Christian women in Africa, translated into 140 languages, and carried out with prayer meetings around the entire world. At the close of his explanation, he spoke further on "Prayer."

Rev. Palmer Taylor read the scripture, Rev. Fritz Erickson offered prayer, and Rev. L. L. Adams pronounced the benediction.

Mrs. Clifford Storms presented the home mission projects, American Indians, migrants, and rural churches; Mrs. O. R. Swanson, the foreign projects, the Christian college of India and China, and Christian literature. The Day of Prayer offerings go to the Council of Churches for these programs.

Mrs. Carlberg led in a series of prayers and special musical numbers were given by Marion and Norma Mills, Lander; Mrs. L. L. Adams and Mrs. Carl Norbeck, and a quintet of girls, Ruth Johnson, Martha Jane Morrison, Ruth Ann Scott, Eleanor Brown and Louise Carlberg. Mrs. Neil Scott was accompanist for the evening.

The women who planned the annual observance were Mrs. Gustav Erickson, Lander; Mrs. O. R. Swanson, Mission Covenant; Mrs. C. F. Norbeck, Free Methodist; Mrs. Neil Scott, Methodist; and Mrs. Carlberg, Presbyterian.

REBEKAH'S PLAN SUPPER FOR PUBLIC

Lady Warren Rebekah Lodge has named the following for the ham dinner to be served for the public on March 5: Margaret Van Ord, chairman; Florence Knupp, co-chairman; Clara Putnam, dining room; Florence Loney, tickets. Those having tickets for sale are asked to make their report at the meeting this Friday night.

The appointments were announced at the regular lodge session Friday night, followed by the showing of colored slides by Robert Brown, and refreshments donated and served by Mildred Nollinger and Marguerite Brown.

Lodge members will have their regular six o'clock supper night this Friday, including their families, and will have lodge at eight o'clock.

MANY ACTIVITIES IN KINZUA THIS WEEK

Kinzua—Activities in the Methodist church this week include a meeting of the Helping Hand Class this evening at the home of Alice Holmes; also the Amanda Class this evening at the home of Mrs. Louis Platt; choir rehearsal and prayer meeting Wednesday evening.

St. Luke's Episcopal Guild will have a cooked food - vegetable soup sale Saturday in the Guild Hall, combined with a rummage and white elephant sale.

Beary Faculty Meets Freshmen Cage Team

Pains and aches may be the complaints of the men teachers of the Beary Junior High School tomorrow. The faculty challenged the Beary freshmen basketball team for its annual fracas, which was played this afternoon. When the whistle blew at 3:30 on the Beary court, the following teachers were all set and ready: Homer Barr, Thomas Barrett, Loyal Briggs, James Hill, Meade Hinderliter, Charlie Hoover, Harry Hutchings, A. J. McDonnell, Gerald M. Newton and Henry Powell.

P. T. A. Council to Help Form First Aid Unit

The Community PTA Council is cooperating with the efforts of the civil defense chairman, W. C. Fuellhart, in promoting formation of first aid classes, Robert Colter, the council's civil defense chairman, having been contacted and, in turn, lining up unit chairmen.

Instruction for first aid courses requires 21 hours, with a "refresh" and advanced course available in 12 hours for those who have already had the standard class.

First aid is not only a benefit to the community, but is practical within the individual home, and PTA officials are hopeful many will avail themselves of the opportunity for instruction that will soon be offered.

Anyone wishing further instruction concerning formation of classes is asked to call unit PTA president no later than Thursday.

Business School Leads League By Half Game

Defeat Youngsville, 60 to 53, As Rockets Win Hotly-Fought Tilt From Certified, 39 to 37

The Maroon clad Rockets emerged 39-37 victors over Certified in a hotly-fought basketball game last night. The Rockets won the third and fourth quarters, while Certified won the first and second.

After splurging with a 15-9 first period lead the Rockets slowed down in the second quarter and had their advantage sliced to one point, 22-21. The scoring was 10 apiece in the third and fourth quarters, while the Rockets were able to add one more in a low-pointmaking 7-6 final.

Roger Babcock and Fran Masterson led the winning quartet with 12 and 11 points respectively, while Jim Beckenbach and Larry Anderson had 11 and 10 in that order for Certified.

The Schoolboys' win was their fifth straight this half, while Youngsville was losing its 11th in a row over both sections. The out-of-towners edged into the front, 17-15, in the first quarter, but fell into an eight-point deficit when the Schoolboys blazed with 23 points in the following chapter. Youngsville led the second half, 23-22.

Prescaro, a new addition to the Schoolboy squad, shared the night's individual scoring honors with Bill Pollard, each tallying 17 markers. Jack Haight compiled 15 points to become second high.

Aderholt to Manage Scranton Ball Team

Scranton, Pa. (AP)—Morrie Aderholt returns to Eastern League baseball as manager of the Scranton Miners of the Class A loop, league president Thomas Richardson announced yesterday.

Aderholt, a native of Thomasville, N. C., played second base for Springfield in the 1940-41 season. The club was then the property of the Washington Senators.

Richardson said Aderholt was recommended for the post by Clark Griffith, president of the Senators. The National League club has a working agreement with Scranton.

Aderholt managed Danville in the Carolina League last season and for the three previous years piloted the Emporia, Va., entry.

ON THE ATTACK—One of the finest all-around backcourt men in the National Basketball Association, Bob Wanzer, left, also leads Rochester scorers. Carl Braun, center, is back driving New York toward the flag after a two-year hitch in the army. Another service returnee, ex-Marine Jack Nichols, as strengthened Milwaukee's attack. (NEA)

Seton Hall at Top Of College Choices Six Straight Weeks

New York (AP)—Undeclared Seton Hall, with 26 straight victories and only four games to play, held the No. 1 position in the Associated Press basketball rankings today for the sixth straight week.

In beating Villanova and Loyola of Chicago last week, Coach Honey Russell's charges managed to stand off a strong challenge by the Big Ten's Indiana in the esteem of the nation's sportswriters and broadcasters.

The Pirates received only 32 of the 113 first-place votes cast but showed enough balanced strength to gain a slender 12-point advantage over the second-place Hoosiers. Points are awarded on the basis of 10 for a first-place vote, 9 for second, etc.

Indiana, Washington and La Salle continued to be the chief pursuers in that order but the rest of the top 10 underwent some shuffling.

Phog Allen's Kansas quintet climbed from 10th to fifth on the strength of an 80-78 victory over neighboring Kansas State, which fell only one notch as a result— from eighth to ninth. Illinois plummeted from fifth to 10th after a 67-62 loss to Iowa.

Louisiana State clung to its sixth position, with the Oklahoma Aggies still following at No. 7. Western Kentucky, winner of three games in its own area, moved up from ninth to eighth.

Although Carthage was destroyed by the Romans in 146 B. C., the Punic language continued to be spoken in wide areas of North Africa until the 6th Century A. D.

Worley's 270 High; Revolver League In Threeway Deadlock

The Warren Revolver League remained in a three-way deadlock for first place last night, when Cornplanter, the Game Wardens and Sylvania each fired victories on the State Armory range.

Led by Worley's high 270, the Game Wardens, out-shot N.A.R.C., 1235 to 1062, and in the other matches Cornplanter trimmed Irvine, 1238 to 1152, and Sylvania defeated Youngsville, 1120 to 1074.

It was the first time this season that Youngsville had a full five-man team present.

Cornplanter's 1238 was high team score for the night, just three points ahead of the Game Wardens.

PICKS UP MASTER'S

Charlie Ridenour, who's in his second year as University of Pennsylvania wrestling coach, picked up his master's degree in physical education at Penn State's mid-year commencement. Ridenour, one of two Penn State wrestlers to win Eastern honors three years in a row, undertook his advanced work after World War II. He also served as assistant mat coach.

Through The Wind Tunnel

Hooktown was not without the national colors in observance of Washington's birthday. The Donaldsons, at 7 McPherson, and the Lemmons, at 909 Conewango, were flying Old Glory.

Right on the Times-Mirror balcony at dawn today a chubby and very sarcastic robin was giving some decrepit looking sparrows a hard time. Sounded as if the robin was mighty disgusted about having been approached, over on the South Side, in regard to signing some sort of nominating petition.

Some lucky family must be about to move into the little white-house - with - the - fence - on Conewango, near Fifth. The "For Sale" sign has disappeared.

In order to get cars off the street, they park 'em at most any angle in front of a Water street home near Fourth. This morning, one of the vehicles was parked directly across the sidewalk.

It was only because so many people were on their way to work that we didn't try out that little green Crosley parked near Don Smith's garage this morning.

It's easy to note a slight change of color all over that steep hillside along Conewango avenue extension. Heath Ferrie and his crew have been doing some good work on some of the side roads in that section, and have eliminated a deep mudhole near the Harold Bakers' summer home.

The most recent issue of the Lions' magazine contains an interesting article on how the Mabel, Minn., club raised funds toward a medical center in that town. With the mayor acting as auctioneer, the Lions appeared in ball and chain on an auction block and their services (for a day) brought bids close to a \$1,000 total. Pictures show the school superintendent greasing a car, the local publisher at work in a dairy barn milking cows and disposing of that and this, and a crowd that had gathered to watch the cashier of the State Bank wash the windows of the First National Bank at a mere \$27 per day.

The red-breast is still making guttural sounds as he continues his dissertation about that petition. He'll probably be at it tonight when the light is wayneing in the east.

Interstate League To Operate With 4 Teams

Allentown, (AP)—The Class B Interstate Baseball League, all but officially disbanded as an eight team circuit, appeared ready today to field a four club loop for the 1953 season.

The offer of Charles Cohen, a Philadelphia contractor, to set up an Allentown team met with the endorsement of the Allentown Boosters at a meeting here last night.

The Boosters pledged financial assistance and promised aid in a ticket selling campaign for the coming season.

The other clubs—Lancaster and Sunbury, Pa., and Salisbury, Md., are expected to announce their willingness to continue this season, now that Allentown is ready to field a team.

Tidioute Must Defeat Sugar Grovers Tonight to Retain Upper Allegheny Leadership

It would take a surprise upset on the part of fourth-place Sugar Grove tonight if Tidioute High is going to be stopped from repeating the Upper Allegheny Valley championship. The two teams clash on the league leader's hardwood, while Youngsville is meeting East Forest at Sheffield in the other final conference encounter tonight.

Currently Coach Charles Anderson's cagemen have compiled a loop record of 10-1 and would have to lose to the Grovers if Youngsville is going to be lucky and get

into a playoff. Tidioute, however, will be a big favorite, as will the Kamusmen in their tilt.

The Dragons of Warren High are resting up tonight for their final Section Two league encounter against Franklin this Friday night on the Beatty Jr. High hardwood. The least the Dragons can hope for in the listings is a two-way tie with the Nurserymen for third place. A win Friday night would give the Massamen a 5-5 account in the league and a season record of 11-10.

Of course the highlight of this Friday's activity will be the deciding game between Oil City and Meadville on the latter's court.

Except for Warren and Corry, the rest of the Section Two teams will be in action tonight. Franklin, Oil City and Titusville all have road trips to make, while Meadville stays home.

Salary Disputes In Yank Ranks Assume Serious Proportion

By ED CORRIGAN
AP Sports Writer

The annual sparring session between players and club officials on the salary question was getting serious today with New York heading back home to Oklahoma City and Washington Senator infielder Eddie Yost flatly refusing to report.

The Yankees have no fewer than 12 stars haggling with General Manager George Weiss for more cash.

With the Bronx Bombers moving into their second day of spring training, the situation is alarming. Among the hurriers, Vic Raschi, Whitey Ford and Eddie Lopat still have not come around.

Without them, the world champions would have no pitching staff. Reynolds apparently is serious about his intention of not signing for less than his reported \$40,000 asking price. His actions could influence the others to get stubborn.

Yost, one of the shrewdest batters in the American League in the almost-lost art of getting on base one way or another, is sulking in his Ozone Park, N. Y., home. He said he wouldn't be on hand when the infielders and outfielders report to Orlando tomorrow.

Michigan State athletic officials, meanwhile, seethed with bitterness and indignation, declaring, in effect, "we have done no wrong."

The money that started the fuss came from the now disbanded "Spartan Foundation," a Michigan State booster organization. The players who received it all were members of the undefeated 1951 team. The cash was passed over after the season was over and the players had used up their eligibility.

Names on the list included such notables as P. All-American tackle Don Coleman, of Flint, Mich., and quarterback Al Darow, of Imley City, Mich.

Among other players receiving funds from the foundation were Bill Horrell, New Kensington, Pa., tackle, and Frank Kapral, Court-dale, Pa., guard.

ONLY COLLEGIATE TO WIN
Chuck Davey's elimination by Kid Gavilan leaves Billy Soose as the only collegian ever to win title recognition in the professional ring. Soose, who won Eastern intercollegiate honors as a Penn State 155-pounder in 1937, was recognized by New York State as middleweight king in 1941.

TWO DEFENDING TITLISTS
State College — The host state will be represented by two defending titlists in the 1953 National Collegiate wrestling championships here, March 27-28. The returning champs are Hugh Peery, University of Pittsburgh, and Joe Lemyre, Penn State.

Webb Changes Mind About Coast Going Major League

BY HARRY GRAYSON
NEA Sports Editor

LOS ANGELES—(NEA)—When Del E. Webb bought the Yankee empire at a bargain-basement rate seven years ago, he believed he had a panacea for the weaker major league franchises.

The one-time Fresno boy, who in Phoenix parlayed a carpenter's hammer and saw into a multi-million-dollar-nation-wide construction company, said to their owners, "Go west, old man!" In his book, it was as simple as that.

Sure, there would be a few complications, territorial rights and whatnot, but, basically, all required was men with money and the notion.

"You can't stop progress," said Del Webb, coining a line. "Soon there won't be a vacant lot between Santa Barbara and San Diego." But Webb has now been in organized baseball as something besides a frustrated pitcher long enough to realize that the cost of satisfying the other Pacific Coast League clubs and building or enlarging parks would be too great.

To be economically feasible and sound schedule-wise, there would have to be two American or National League clubs on the coast—in Los Angeles and San Francisco. That would mean the transplanting of four Coast League franchises, and just where would they put them?

Webb believes that the remarkable growth of the far west eventually will take care of that. But as far as the Coast League going major as a group, he stresses it has a long way to go to meet eligibility requirements—in population, parks and parking.

"Freeways may ease Los Angeles traffic jams in three or four years," concludes Webb, "but it would be extremely difficult to find a site for a centrally-located park, not to mention parking space, unless provision was made for the latter beneath the playing field and stands. You can't obtain a building permit in Los Angeles now unless the builder is providing for off-street parking."

So in the revised opinion of the astute Del Webb, major league baseball will stay east, old men, for the next few years at least, or while the Pacific Coast League is further developing its brand new

Sugar Grove-Farmington FFA Boys Enter Chicken Contest

Eleven Future Farmers of America of the Sugar Grove-Farmington High school have entered the "Chicken-of-Tomorrow" contest being sponsored by the Pennsylvania State Poultry Federation. Richard Farver, teacher of Agriculture, reports that the boys have entered the contest with either 100 straight run chicks or 50 sexed cockerels, selecting either White American or the White Cornish-New Hampshire cross. The chicks will be hatched between Monday, March 2nd and Friday, March 6th with 11 1/2 weeks' growing period allowed. Fifteen live birds will constitute an entry Friday, May 22nd at the Butler, Pa., Dressing Plant.

The purpose of the contest is to produce the most quality and quantity of meat in a given time, the birds being scored on conformation and condition.

The following F. F. A. boys have entered the contest: Francis Spencer, Kenneth Craker, Wendell Hornstrom, Thomas Firth, Keith Sweeney, Jack Jordan, Gail Onnik, Lyle Porter, Wendell Warner, Richard Johnson and Robert Chase.

Warren Recreation Committee Talks of Numerous Projects

The Warren Recreation Committee held a meeting in the office of Burgess W. F. Crossett in the municipal building Monday afternoon at four o'clock with all members present and Chairman Ray Reed in charge. Borough Manager C. W. Barwis was also present. A number of matters of interest to the community were discussed including the necessity of acquiring property for a new playground in upper fifth ward. The committee also discussed ways and means for providing more bleachers and a press box for War Memorial Field. It was learned that a project under study would provide for the erection of a structure at Memorial Field that could be designed in such manner as to be used both as a press stand for athletic games and other activities at the field, as well as a spotter station for the Civil Defense Air Observation Post. The top would be enclosed with windows and surrounded with an observation deck. It would be equipped with shutters so that it could be boarded up when not in use.

The recreation committee will work with the planning committee, officers and members of the borough administration and other interested groups and organizations including the school board in the study of proposals now being considered.

A Capella Choir Will Rehearse This Evening

A Cappella choir members of Warren High School will have a final special rehearsal session at seven o'clock this evening in Beaty Junior High School gym and Director Carroll A. Fowler asks that all be in attendance promptly.

In conjunction with the choristers' annual winter concert, to be presented at Beaty at 8:15 p. m. Thursday, Jeremy Fisher, choir member and a senior, will play a group of popular selections.

Using several modern themes, he will arrange them to create an original medley, which he calls "Improvisation in the Modern Vein". It will be recalled his last year's concert offering was an original medley of Stephen Foster songs.

Tickets for the Thursday evening program may be had from any member of the a cappella choir.

Obituaries

MRS. W. F. ROSETTE
Relatives have received word from Port Allegany that services in memory of Mrs. William F. Rosette will be held at 2:00 p. m. Thursday at the Gallup Funeral Home and friends are being received there. The rites will be conducted by Rev John Carlson, of Port Allegany Evangelical United Brethren church, and Rev. Ray Thompson, of the Forest Hills Presbyterian church. Pittsburgh, nephew of Mrs. Rosette. Interment will follow in St. Gabriel's cemetery.

time find a colored card in their kit bearing the same name and address. In these few cases calls will not be made on this individual as the colored card is an indication that he or she has been seen by the Special Gifts Committee which has been at work on the campaign since the first of this week.

Workers were further urged to see that each home, where a resident makes a pledge or a gift of cash to the Red Cross, immediately display the Red Cross sticker as a sign that that home has made its contribution to the Red Cross Fund. Each individual making a pledge or gift will receive a Red Cross sticker, a lapel pin and a membership card.

It was also explained that the slight increase in this year's Fund was brought about entirely by the extra work the Red Cross has been called upon to make in its Blood Donor efforts. The Warren County Budget is \$26,120; about 10% higher than a year ago. Consequently all workers will be expected to try and get individual gifts increased by approximately 10% over what individuals gave last year.

Warren Leads Towns In Area In Meter Receipts

Recently compiled parking meter reports for the larger municipalities and first class townships in Pennsylvania during the year 1951 indicate that Warren led other area towns. No 1952 report has been compiled.

With 287 meters in use, Warren took in \$24,201.06, an average of \$1.62 per week per meter or \$84.32 for the year. Meadville was second to Warren.

Following is the ranking of area towns' meter receipts:

(1) Warren, \$84.32 per meter; (2) Meadville, \$83.82; (3) Greenville, \$76.59; (4) Corry, \$64.65; (5) Franklin, \$52; (6) Titusville, \$47.34; (7) Oil City, \$45.32.

Here are a few other comparisons: Bradford, \$69.85; Erie, \$82.13; Sharon, \$80.28; Grove City, \$74.50; Ridgway, \$50.25; DuBois, \$73.83; New Castle, \$72.03.

With 140 meters in use, Kane took in only \$1,500, a weekly average of but 26 cents or \$10.71 per year.

Barnes Extension Club Plans to Take Up Basket Weaving

Barnes—Twelve members were present for the home economics extension club meeting in the church basement, when plans were made for another session to be held Thursday of this week. Materials for baskets have been ordered and basket-weaving will be the project. All interested are cordially invited.

Mrs. Mary Ayers conducted last week's meeting, when the time was spent in making purses. To conclude lunch was served by Mrs. C. E. Conquer and her committee.

Mr. and Mrs. Fred A. Schuler, Altoona, spent a weekend at Teaberry Knoll, before leaving for a vacation trip to Florida.

Mr. and Mrs. Jack Pitcock and children, Gary and Mary Dawn, were recent guests at the home of Mr. and Mrs. Archie Zimmerman in Hallton.

Mr. and Mrs. Everett Silvis, Bradford, were last Sunday guests at the home of the former's parents, Mr. and Mrs. John Silvis.

Mr. and Mrs. Otto Mayer, Sheffield, and Mrs. Maynard Tomb, Jamestown, N. Y., were luncheon guests at the home of Mr. and Mrs. Harry Shaw, last Monday.

At a recent meeting of the Adult Bible Class of the Methodist church held at the home of Mrs. Maude Shaw, the ladies decided to join the Omega Class in sponsoring a soup supper and sale. No definite date has been set, but it is thought it will be held the first week in March. Members of this class also gave another \$25 to ward the recent repairs on the furnace and basement.

Life-size Wood Carving of Last Supper

Courtesy Christian Science Monitor

BOSTON, MASS.—All the specialized skills of some of the finest craftsmen of New England have been combined to create this life-size copy in wood of the famous painting "The Last Supper" by Leonardo da Vinci.

More than a year was used in preparing the great carving—18½ feet long and 8½ feet wide. The figures, of limewood, are delicately tinted to give a feeling of lifelike reality, and a giant frame of contrasting walnut gives it depth. The carving will be the point of central interest in The Upper Room chapel, now nearing completion in Nashville. It is expected that visitors who view the carving will be moved to spend a few moments in prayer and meditation in keeping with the purpose of The Upper Room—a devotional guide issued in 17 languages and used round the world. The chapel itself is part of the new headquarters building for The Upper Room, the world's most widely used devotional guide. It is believed that it will become a devotional shrine and point of interest for visitors of the Midsouth.

The picture shows W. D. Irving, of Irving and Casson, New York and Boston, who have produced wood carvings for some of America's greatest churches and cathedrals. The wood carving was done from a model created by Earnest Pelligrini.

Don Conaway Tells Rotarians About Underground Storage Of Gas in Abandoned Fields

Warren Rotarians heard from D. E. Conaway, president of the Pennsylvania Gas Company, about the underground storage of natural gas when they met for their weekly luncheon at the YWCA Monday. It was a subject about which most of the club members knew very little, and Mr. Conaway's talk was well delivered and held the rapt attention of the club.

The speaker used as an example a gas field which was opened about 1890 and in which 15 wells were ultimately drilled. The flow of the original well was 5,000,000 cubic feet per day, gas being found at a depth of 1800 feet. With the drilling of the second well the

original rock pressure had decreased from 700 pounds to 650 pounds, and after gas had been sold from this field for 50 years, the pressure decreased to 70 pounds. The field was then purchased by the Pennsylvania Gas company for use as underground storage and was re-filled with gas from Texas. Mr. Conaway told of the problems involved in putting a field into use for storage, the completion of records, checking of title and structural geology, and said it has required as much as one entire year to clean out a single well. The Rotarians were interested to hear him tell of the quick change, only last Saturday, from putting gas

back into storage to taking it out again when the temperature changed as much as 30 degrees in five hours.

While there were but five underground storage plants in 1930, this had increased to 142 last year with a capacity of 915 billion cubic feet. His company, Mr. Conaway stated, stores about six billion cubic feet.

Mr. Conaway was introduced by Dick Costley, program chairman for February. Cal Barwis has charge of programs for March.

LeRoy Schneck, representing the Junior Chamber of Commerce, announced that tickets for the Pittsburgh Symphony orchestra concert next Monday still are available at the House of Bie-karek.

Ludlow Boy Scout Drive Is Launched

Ludlow — The local financial drive for the Warren County Boy Scout Council got under way last week under the chairmanship of E. O. Nelson, who is being assisted by the following committee: M. I. Jones, Leo Morelli, John G. Johnson, Adolph Johnson, Everett Johnson, Ernest Carlson, William Hanson, C. H. Gardner, Leroy Johnson, Arthur Christenson, Gustav Olson, Allen Peterson, Wilbur Johnson, Clyde Gilfert. The campaign will close Monday night, when it is hoped the quota will have been reached.

Study Group was entertained by Mrs. E. Wilbur Johnson at her home, with most of the members present. The business meeting was conducted by Mrs. R. E. Wenstran and a donation was given to the McKean County Heart Fund. Mrs. Melvin McCleary was program chairman and gave a most interesting review of the book, "Fill 'Er Up" by Bellamy Partridge. Coffee was served in the late evening.

George R. Anderson, owner of The Whirl in Ludlow suffered a serious heart attack at his place of business late Friday evening. Friends discovered that he was ill and, later, he was removed to Kane Community Hospital.

Mr. and Mrs. C. W. Lindquist, Youngstown, O., Mr. and Mrs. Ray Winkler and Dan Winkler, Detroit, Mich., Mr. and Mrs. Ernest Gunar-

ARTHRITIS?

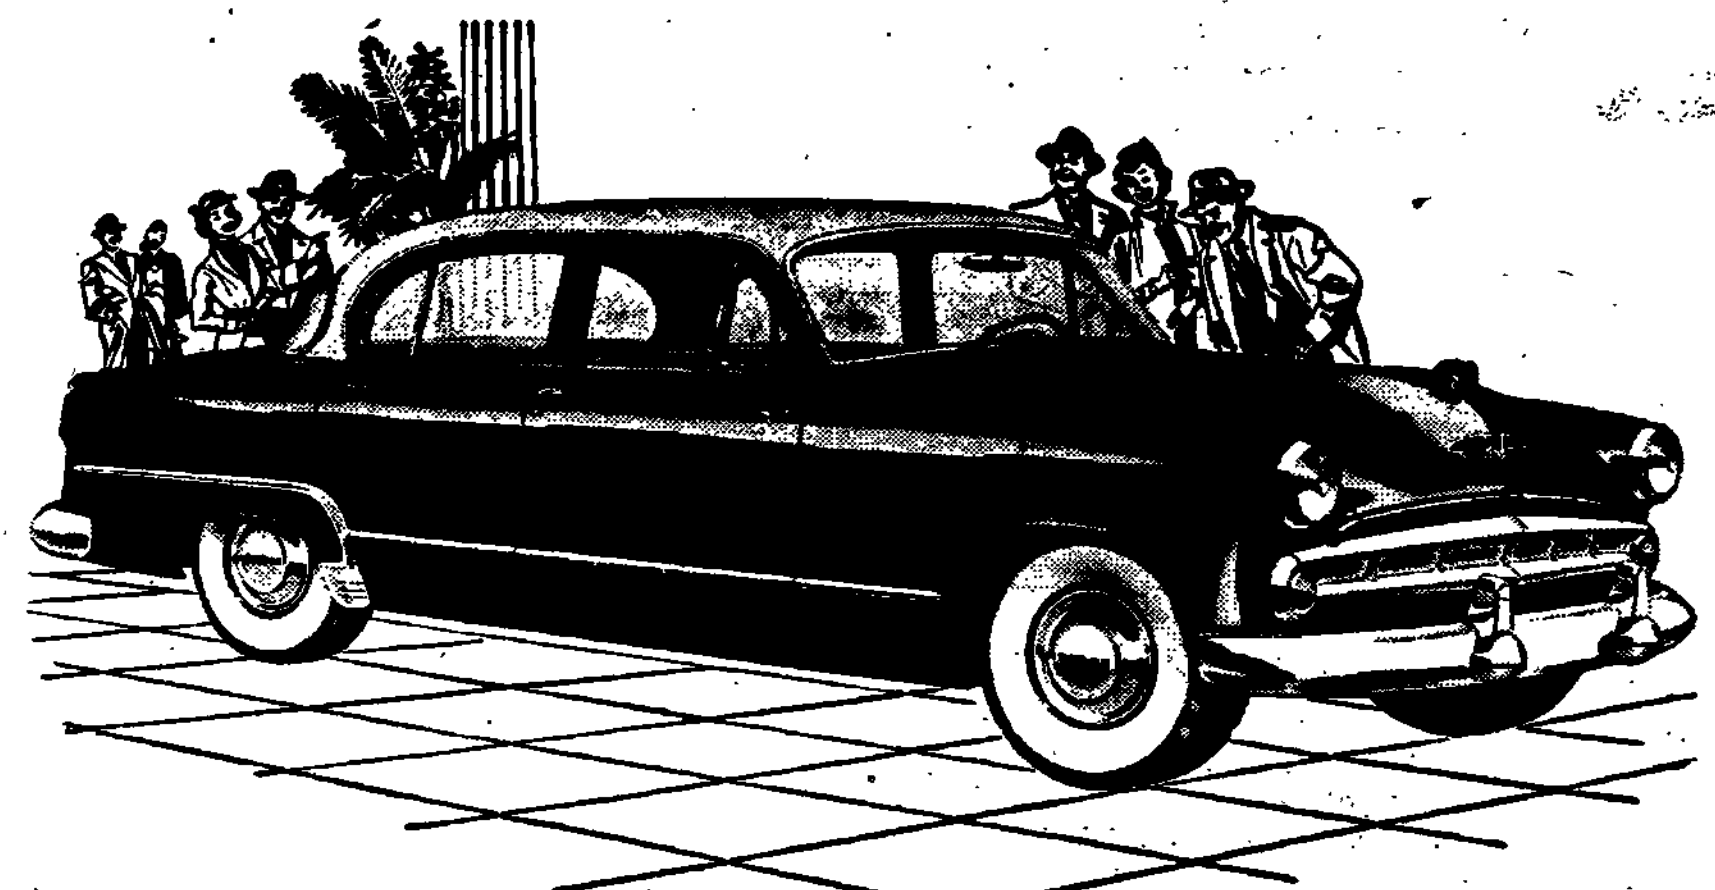

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

When Princess Pat had pups

When Princess Pat, their handsome Irish setter, had pups, the Thompsons telephoned all their friends around the neighborhood and suggested they come over to see the playful little rascals.

Their calls were of course all spur-of-the-moment. Completely informal. Completely casual. Completely taken for granted. That's the way it always seems to be with telephone invitations.

And that's the way we at the telephone company like it to be. We want telephone service to be so easy to use, so convenient, that you never have to give it a second thought. All of us work hard to make it that way.

THREE KNIVES NEEDED
Three types of table knives were in general use during the 15th century: a carving knife, a bread peeler or paring knife to peel the crust off bread, and a small, pointed eating knife.

The Indian villages destroyed by Gen. Sullivan in the region of Elmira, N. Y., during the Revolution consisted not of rude huts but of neat wooden dwellings with extensive orchards, gardens and grain fields.

Ruth Carlisle was convinced that on the day love came to her, bells would ring in her heart, and trumpets blare a paean to love's miracle, and a clear, strong voice tell her that the moment she had been waiting for had arrived.

When Dan Curtis lifted her into his arms, she heard a singing sound in her ears. But was it love? She couldn't tell. For Dan, a non-practicing doctor, looked too much like the proverbial city slicker and acted a bit too shrewd for Ruth's simple Golden City tastes.

Read this diverting and warmly human romance of a girl with ears attuned to romance's supposedly clarion call, who almost missed hearing love's quiet, muted voice. Read
